NCISM Principals' Conclave
10th World Ayurveda Congress & Arogya Expo 2024
12-15 December, 2024, Dehradun, Uttarakhand

Aiming 360 quality improvement, NCISM initiated several initiatives and reforms which resulted in transformation in ayurveda education as well as health care services. At this juncture it's appreciable the steps being taken by Government of India in Globalisation of Ayurveda. Hence, there is a need to align the steps of Globalisation with quality improvement towards the Globalisation. This is humble effort of NCISM to orient and sensitize heads of Ayurveda colleges who are the navigators and building force of institutions.

NCISM Practitioners' Conclave
13th December, 2024

The rights and interests of Ayurvedic practitioners are fundamental to the growth and development of the Ayurvedic system of medicine. Protecting these rights and strengthening the professional community is essential for promoting excellence in Ayurvedic practice and ensuring the well-being of patients. By safeguarding the rights and empowering Ayurvedic practitioners, we can foster a thriving ecosystem that supports the advancement of Ayurveda and its benefits to society. With this view Board of Ethics & Registration, NCISM is organizing Practitioners' Conclave in association with World Ayurveda Congress.
